

ENTERGY NEW ORLEANS, INC.

Participating Energy Consultants Residential Energy Solutions Program

The Energy Consultants listed below are qualified private companies that can provide home energy assessments and energy saving recommendations. Cash rebates are available for making home energy improvements. The Energy Consultant can provide three levels of assessments starting with a low cost Level-1 Walk Through Energy Assessment providing recommendations on cost-effective energy improvements to a Level-3 Home Energy Rating required by the State of Louisiana HERO program. For more information about energy assessments and the Entergy New Orleans Inc. rebates available, contact our Energy Solutions Center at 1-866-721-0249.
